

January 20, 1995 LB 1, 2

expect the Chair of our E & R Committee to get busy now that we have some work in the E & R area. So we'll be looking forward to that. Item 7.

CLERK: Mr. President, LB 1, a bill offered by Senator Hall as Chair of the Executive Board. (Read title.) The bill was introduced on January 5, referred directly to General File, Mr. President.

SPEAKER WITHEM: Chair recognizes Senator Hall for opening on LB 1.

SENATOR HALL: Thank you, Mr. President and members. The revisor's bills are the 16 that are before you, and there was a 17th that was determined to be more than a revisor's bill, if you will, so it was scheduled for a public hearing. Come about because Section 49-771 of the statutes require that the Revisor of Statutes look for obsolete statutes that are no longer needed. That's how these bills come about. During the interim the revisor's staff looks through the statutes or sections of, they don't do the entire statute book each year, but they do look in various areas and they do it systematically to find provisions that are no longer needed in the statutes that are obsolete. This year there were 22 sections that were affected, they show up in these 16 bills. LB 1 would amend sections in the employment security area to standardize the numbering system of those sections. It basically brings about consistency in these statutes. I would urge advancement to E & R Initial.

SPEAKER WITHEM: Any discussion? Any closing, Senator Hall? Closing has been waived. Question is, shall LB 1 be advanced? All in favor vote aye, opposed vote nay. Record Mr. Clerk.

CLERK: 27 ayes, 0 nays, Mr. President, on the advancement of LB 1.

SPEAKER WITHEM: LB 1 is advanced. LB 2.

CLERK: LB 2, offered by Senator Hall as Chair of the Executive Board. (Read title.)

SPEAKER WITHEM: Senator Hall.

SENATOR HALL: Thank you, Mr. President and members. This bill would repeal seven sections relating to the task force on
